Dear Joe,

I am enclosing two copies of a preliminary draft of the Schedule, Appendix I and General Provisions which are intended to be incorporated into the definitive contract for film and related supplies (FP-1054). Please have same reviewed by all concerned and return one copy to me with all changes, additions and comments you may desire. Also, add any items and additional nomenclature to Appendix I which you may consider necessary. Should you have any questions please call me and if necessary I will send Joe up to discuss them with you or your people.

A preliminary draft of the provisions for the plant operations contract is now underway and will be forwarded for review in the near future.
